#### Environmental Policy Statement

Kyra is committed to minimising the impact of its activities on the environment. The key points of its strategy to achieve this are:

1. Minimise waste by evaluating operations and ensuring they are as efficient as possible.
2. Actively promote recycling both internally and amongst its members and volunteers.
3. Maximise opportunities to promote environmentally friendly travel where possible.
4. Procurement should consider environmental credentials of suppliers where practical.
5. Meet or exceed all the environmental legislation that relates to Kyra.
